I think the all hands memo should come from the Administrator. We are conducting a conf call at 11am with the union presidents. I recommend the all employee memo should go out around 1pm or any time after the union call.

Craig,

You may want to check how the shutdown memo handled the question of "if you have any questions, contact ____"

Last night after the Sr Policy mtg, I heard that a supervisor recently informed a class of fellows that they could not be kept on past mid-January due to the fiscal cliff and potential large budget cuts. Therefore I am concerned about leaving the reference of "contact your supervisor" at this time. Seems like there's more internal messaging needed to supervisors.

I just heard from DOJ that the D.C. Circuit denied rehearing en banc on the GHG cases. There were two dissents (Kavanaugh and Brown), which I have not yet seen.

Congrats!!!

Lorie

PS No word on CSAPR reconsideration.

Newark Mayor Cory Booker will explore a bid for the U.S. Senate in 2014, deferring a run against New Jersey Gov. Chris Christie, Booker posted online Thursday.

"But there is still much work to do. And so, let there be no doubt, I will complete my full second term as mayor. As for my political future, I will explore the possibility of running for The United States Senate in 2014," Booker wrote in a blog post for nj.com.
